

60W AC Premium High Bay Light

Parameters

Product Model	NES-BL-60
Power	60W
Input Range	90–275 V
LED Luminous Efficacy	≥145 lm/W
System Lumens Output	≥100 lm/W
Light Source	OSRAM/BRIDGELUX LED
Color Temperature	2700-6500 K
Total Power Consumption	60W ± 10%
Driver Efficiency	>85%
LED Beam Angel	120°
Net Weight*	1.45Kg
Light Dimensions*	(358X185X150) mm
Light Package Dimensions*	(380X200X170) mm
Features	Auto Shutdown & Auto Restart Open & Short Circuit Protection Over Voltage Protection

Actual Luminaire

>0.95	>70	IP65	>50000 Hrs.	<10%	50±3% Hz
Power Factor	CRI	IP Level	Working life	THD	Power Frequency

Others

Surge Protection	Maximum Temperature of Heat Sink	Primary Thermal Management
>Up to 6 KV (Internal)	65 °C	Single Piece MCPCB with Thermal Pads
Recommended Height	Storage Temperature	Secondary Thermal Management
5-6 Meter	35 °C	High Pressure Aluminum Die Cast
