

90 W AC LED PREMIUM HIGH BAY LIGHT

Item	NES-BL-90
	
Power	90 W
Input Range	90-275 V AC
Operating Frequency	50 ± 3% Hz
Primary Thermal Management	Single Piece MCPCB with Thermal Pads
Secondary Thermal Management	High Pressure Aluminium Die Cast
Driver Efficiency	>85%
Power Factor	>0.97
THD	<10%
Net Power Consumption	90 ± 10% W
LED Luminous Efficacy	>= 145 lm/W
CRI	>70
Light Source	OSRAM/BRIDGELUX LED
Maximum Temperature of Heat Sink	65° C
Color	Cool White, Warm White
Color Temperature	2700-6500 K
LED Beam Angle	120°
Features	Auto Shutdown & Auto Restart, Open & Short Circuit Protection, Over Voltage Protection
Surge Protection	Up to 6 KV (Internal)
Storage Temperature	35°C
Working Life	>50000 Hrs.
Recommended Pole	7-9 Meter
Weight *	4 Kg
IP Rating	IP66
